INDIA

MANIPUR URBAN ROAD, DRAINAGE AND ASSET MANAGEMENT IMPROVEMENT PROJECT

Transport Sector
GENERAL PROCUREMENT NOTICE
Project ID No. P000723

The Government of India has applied for financing in the amount of US\$ 352.40 Million equivalent from the Asian Infrastructure Investment Bank (AIIB) toward the cost of the **Manipur Urban Road, Drainage and Asset Management Improvement Project (MURDAMIP)**, and it intends to apply part of the proceeds to payments for goods, works, non-consulting services and consulting services to be procured under this project.

The project will include the following components:

- The primary component of the project is to provide all weather, climate change resilient and low-maintenance urban concrete road network within the Greater Imphal area with improved road safety measures, robust drainage system and dedicated utility conduits for ease of living & improved quality of life of people and economic prosperity, sustainable overall development & inclusive growth of the state.
- The project shall also establish a Road Asset Management System (RAMS) as an enhancement of Executing Agency's assets to improve the efficiency in road planning & construction and especially in road maintenance. Community-Based Maintenance (CBM) Program for the Routine Maintenance components is also proposed to be introduced as a pilot project. The RAMS Consultant shall develop the methodology and modality for the procurement and implementation of the CBM Program. The implementation of CBM activities during the mandatory maintenance period of the project shall be monitored by the Construction Supervision Consultant.
- A hydrological study of the Imphal basin for alleviating the seasonal flooding shall also be covered under the scope of this project.

Four (4) civil works contracts and one (1) consultancy firm (Construction Supervision Consultant) are to be procured through Open International Competitive Procurement.

Additionally, the following four (4) consultancy firms and two (2) individual consultants are to be procured through Open National Competitive Procurement:

- Resettlement Plan and Indigenous Peoples Plan implementation agency
- Consultant for development of Road Asset Management System (RAMS)
- Internal Audit firm
- Consultant for Hydrology and Flood Risk Management Study
- Quality Audit & Project Scheduling Expert
- Financial Management Expert

Procurement of contracts financed by the AIIB will be conducted through the procedures as specified in the AIIB's *Procurement Instructions for Recipients (June 2, 2016) (PIR)*, and is open to all eligible firms and individuals as defined in the PIR. After project negotiations, AIIB shall arrange the publication on its external website of the agreed initial procurement plan and all subsequent updates once it has provided a no objection.

Specific procurement notices for contracts subject to open international competitive procurement will be announced, as they become available, in [*UN Development Business*](#) online and on the AIIB's external website (<https://www.aiib.org/en/opportunities/business/project-procurement/index.html>)

Interested eligible firms and individuals who would wish to be considered for the provision of goods, works, non-consulting services and consulting services for the above mentioned project, or those requiring additional information, should contact the Borrower at the address below:
